

IN RECOGNITION OF MRS. TERESA 'TERRY' RYNARD ON HER RETIREMENT AS KANSAS CITY'S PARKS AND RECREATION DEPARTMENT DIRECTOR

HON. EMANUEL CLEAVER

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Friday, July 30, 2021

Mr. CLEAVER. Madam Speaker, I rise today in recognition of the achievements of Teresa 'Terry' Rynard, the Director of Kansas City's Parks and Recreation Department, a woman who has dedicated her life to decades of service to the parks and people in Kansas City. Mrs. Rynard is retiring after accomplishing a milestone achievement in becoming the first woman to serve as Kansas City's Parks and Recreation Director in the department's 129-year history. Her legacy of determination and selfless leadership will continue to inspire the lives of many beyond her term.

Since the start of her career at the Parks and Recreation Department, Mrs. Rynard began paving the way for women to work in the field when at the young age of 16, she trimmed weeds and mowed fields of Kansas City's parks despite protests from her male co-workers. With perseverance, she climbed the ranks of the Department while she furthered her educational journey, earning a Bachelor of Arts and Education in 1986. In her 33 years with the Kansas City's Parks and Recreation Department, Mrs. Rynard has served as equipment operator, area superintendent, assistant park superintendent, deputy director, and finally Director of Parks and Recreation. Mrs. Rynard's career stands as a shining example of grit and being an outstanding community leader.

Her contributions to the city can be seen everyday as one walks through its streets and parks. Not only did she succeed in efforts to make Kansas City safer, cleaner, and beautiful, but she helped cultivate an equitable environment for all to enjoy. Mrs. Rynard focused on areas that had been neglected for years and created the Quality of Life Investment District, overseeing numerous park projects across the underserved parts of the city. She also oversaw the installation of Martin Luther King Jr. Boulevard signs after years of debate, and the transition of Kansas City Museum management to the Kansas City Museum Foundation. In addition, Mrs. Rynard was elected to the American Academy for Park and Recreation Administration, an immensely prestigious honor earned through her selflessness and leadership. These and countless other successes testify of what an invaluable member of our community she has been.

Mrs. Rynard's work for our city extends beyond the workplace and into her family. Her children have recounted times where, as a family, they would help their mother by picking up trash to clean shelters at parks when the Department was short-handed. This proves her devotion to better the community and serve those around her, promising continued contributions for our city even after her retirement.

Terry will leave a legacy of kindness and diligence that will continue to live on in Kansas City and its Parks and Recreation Department forever. Her service has touched the lives of all who live in Kansas City and benefit from her works daily. The leadership she's provided

the Department has created a foundation to which to build upon as we continue our efforts in promoting equity, inclusion while developing our community. Terry's deep care and love for our City will continue to be felt in every park, avenue, and public space in Kansas City.

HON. ANN WAGNER

IN THE HOUSE OF REPRESENTATIVES

Friday, July 30, 2021

Mrs. WAGNER. Madam Speaker, I rise today to recognize and honor the incredible work and service of Joseph Sivewright. At the end of 2021, he will officially retire as the Chairman of Nestlé Purina PetCare after over 30 years of outstanding leadership.

Since joining Nestlé Purina in 1985, Mr. Sivewright has held various positions throughout the company as he proved himself to be a treasured employee. Prior to his role as Chairman, he was appointed as the company's President & Chief Operating Officer and was then named President and Chief Executive Officer.

Under Mr. Sivewright's leadership, Nestlé Purina has grown through numerous product innovations and the company has been recognized as one of the "best places to work" by several St. Louis and national organizations.

I want to personally thank Joe for his many years of friendship, as well as his desire to ensure Nestlé Purina is a strong community partner. His distinguished career and tremendous leadership are celebrated by our St. Louis community. I personally appreciate the impact his work ethic and constant drive to improve the lives of those around had on his employees. As a former Purina employee myself when I was just out of college, I know how important it is to have a smart and driven leader at the helm to set the tone for the rest of us and help us achieve even greater heights.

Joe had a tremendous impact not only on all of those with whom he worked throughout his many years at Purina, but also on those he worked with outside of work as a dedicated member of our St. Louis community. We all appreciate everything he has done so far, and look forward to seeing what else he will accomplish in the coming years.

SENATOR CARL M. LEVIN

HON. ANDY LEVIN

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Friday, July 30, 2021

Mr. LEVIN of Michigan. Madam Speaker, throughout my adult life, wherever I went in Michigan, from Copper Harbor to Monroe, I would run into people who would say, 'I don't always agree with Senator Levin, but I support him anyway because he is so genuine. He tells it straight and he follows through.'

Carl Levin personified integrity and the notion of putting the public good above self-interest. As he walked about the Capitol in a rumpled suit, almost always with a plain white shirt and pedestrian tie, carrying bulging files with the occasional paper flying away, Carl

was the very picture of sober purpose and rectitude. In truth, he wasn't unfun. In fact, he often pierced tense situations with self-deprecating humor, and he privately shared incisive observations about others with staff and colleagues.

But Carl was all about the work, and the great honor the people of Michigan had bestowed upon him with their votes and their trust. He did not seek to divine their views to be popular, but rather to study the issues and advance the people's interest to the best of his ability. Uncle Carl met with more presidents, kings, queens and other important people than all but a few of us ever will. But he treated them all the same as he did a Detroit autoworker or a beet farmer in Michigan's Thumb—with a full measure of dignity but no airs, ever ready to puncture self-importance, posturing, mendacity and avarice.

He was so well-prepared for every meeting, hearing, and conference that he challenged conventional boundaries between Senator and staff. He was one of the most challenging Senators to work for and one of the most rewarding. Challenging, because you had better know your business in detail, since he surely did. Rewarding, because he had authentic relationships with staff, treated them with deep respect, and was loyal to them.

Uncle Carl was above all a family man. No matter the pressing business he faced as a Senator, he always centered Aunt Barbara, my cousins Kate, Laura and Erica and their families, devoted time to them and so obviously cherished them. And the way he loved and treated his family radiated out and served as a model for how he treated colleagues, staff, constituents, soldiers and the world.

From my earliest memory to this moment, perhaps above all, he has defined with my dad how close two brothers, two siblings, two people can be. In the end, these two Jewish boys from Detroit, these grandsons of immigrants each served 36 years in Congress, 32 of them together, becoming by far the longest co-serving siblings in the 232-year history of this place. As heartbroken as we are in this moment, I feel so grateful to have experienced this love and legacy.

RECOGNIZING THE 75TH ANNIVERSARY OF THE OFFICE OF NAVAL RESEARCH

HON. JAMES R. LANGEVIN

OF RHODE ISLAND

IN THE HOUSE OF REPRESENTATIVES

Friday, July 30, 2021

Mr. LANGEVIN. Madam Speaker, today it is an honor for me to pay tribute to the Office of Naval Research and its contributions to our Sea Services, the Nation, and the pursuit of scientific and technological discovery on the occasion of its seventy-fifth anniversary.

The Office of Naval Research was established by act of Congress on August 1, 1946, in the aftermath of World War II to "plan, foster, and encourage scientific research in recognition of its paramount importance as related to the maintenance of future naval power, and the preservation of national security." A product of wartime necessities that brought together government and military planners, academia, and industry to help make science and technology an essential tool
